TRADITION

Student portraits have long been an important tradition for schools and parents. The individual and class pictures that LEO'S takes year after year are a wonderful way to chronicle a childhood and provide us with a visual history. At LEO'S, we have been perfecting the art of student photography since 1923 and we take great pride in providing quality photos to our customers. Staying on the cutting-edge of new technology has allowed us to become more creative and efficient. Our state of the art printing facility in Spokane Washington enables us to provide a quick turnaround and exceptional customer service. If you're looking for an experienced photographer with competitive pricing and excellent products, LEO'S is the best choice. We welcome the opportunity to serve your school.

PHOTO SERVICES

LEO'S works year-round to provide youth portraiture and school service items. In the fall we take the traditional individual student pictures and make up all of your school's requested service items. Later in the year we offer our optional spring program which includes class group photos and fun individual portraits. We offer convenient packages, flexible "Build Your Own Pack" options, and À La Carte items to make ordering easy. LEO'S professional photographers have mastered the art of capturing not only smiles, but personalities as well. And with our creative backgrounds and posing, the look stays modern year after year.

When it comes to school photography, LEO'S does it all. From sports, to band and orchestra, to clubs, we will photograph all of your school's extracurricular participants. We also provide portrait and candid photo services for special events such as dances, grandparents day and graduations. If you are interested in publishing a yearbook, these photos can be a great way to enhance the value to the students. LEO'S yearbook service makes what can be an overwhelming project, easy, fun and affordable.

CUSTOMER REVIEWS

My son had an idea to do an action shot with his marching band instrument and LEO'S made it happen! A picture says a thousand words is captured here for my son. This is so much more than a school band photo... LOVE IT!

~ Barbara Oviatt, Customer

I have been working with LEO'S Photography for the last 10 years. They provide outstanding service to our school. Whenever we call or need them, they go out of their way to help us if they can. There have been times where we needed something and they are always helpful and respond immediately. The office staff is friendly and they all understand they win our business with their service to our school and families.

~ Joe Kostecka, Assistant Principal, East Valley High School

LEO'S Photography has been our school photographer for 15 years. Their prices and packages are competitive or beat other photographers. If there is ANY concern, LEO'S staff will address it to the satisfaction of the parent/customer. LEO'S provides free services like an all-school picture. Our students and parents also really appreciate the special recognition pictures of students earning our monthly "Wall of Fame" designation. Picture taking days are run quickly and efficiently. LEO'S staff is flexible, professional, and a pleasure to work with. They process and print the pictures in their Spokane facility so they are able to provide quick and personal care.

~ Dwight C. Cooper, Principal, Reardan Elementary School

ORDERING PHOTOS

PREPAID

Our photos are sold to parents "Prepaid", meaning that we will produce and deliver the portraits after the parents pay for them. We accept the following payment methods:

- Cash, check, or money order placed in the envelope and given to the photographer on Picture Day.
- Visa or MasterCard orders can be placed online at www.leosphotography.com using an online order code specific to your school that is printed on each envelope.

LATE ORDERS & REORDERS

Orders can be placed on-line or by calling our customer service team up to 5 days after picture day without reorder fees. These orders will be shipped with the rest of the portrait orders to be distributed at the school. Orders placed more than 5 days after picture day are considered reorders. Reorders are sold at the same prices, however they are assessed a Look-Up / Shipping & Handling fee.

COMPLIMENTARY PHOTOS

SCHOLARSHIP PHOTOS

Scholarship packages have long been a staple of LEO'S photography programs. Your school's Principal can donate a scholarship package (compliments of LEO'S) to students that couldn't normally afford pictures.

VOLUNTEER HELPERS

Volunteers are always appreciated during our Picture Day. LEO'S will supply all of the necessary personnel for a smooth picture day, but if you have an active volunteer group (i.e. PTA, PTO, etc.), we always welcome the personalized help. Volunteers will receive a \$10 photo coupon toward packages of their children.

SCHOOL STAFF

Staff members are encouraged to have their photo taken every year, so products such as ID badges, composites and yearbooks can be produced from the current years' portraits. Staff members' portraits automatically receive our basic retouching and a complimentary staff package is delivered for every staff member photographed.

CUSTOMER SERVICE

We stand behind our products and strive to produce accurate and quality work. LEO'S 100% satisfaction guarantee means that if there is ever an issue we will go out of our way to fix it. If for any reason a customer is dissatisfied with their photos, we will replace them or give them a full refund. Our retake policy is as simple as returning the portraits that need to be replaced with the student on retake day. We take a new photo and remake the entire package. In addition to retake days at each school, LEO'S has In-Studio retake days once a month that are open to the public.

LEO'S customer service and technical support team are always just a call or click away. Call one of our offices and you will always be greeted by a person rather than an automated customer service recording. Email inquiries are constantly monitored and never take more than 24 hours to respond to. If the issue can't be solved over the phone, LEO'S will send a team member to your school to work with you until the problem is resolved.

Need a one-time, custom award? Give us a call with the details and we'll have it produced and delivered in time to meet your deadlines. Because LEO'S does all printing and production in our state-of-the-art facilities, our turn around time has averaged less than 1 week for the last 15 years.
